

24th June

Maths - Mathletics

English - story competition

Spellings - shus words **Orange words**

ambitious

infectious

fictitious

amphibious

curious

devious

Copeland Schools Writing Competition

You are being asked to do a piece of writing (letter, recount, advert, information text, story - warning story/defeating the monster/portal/quest) that describes anything in our local area (St Bees beach/ Egremont castle/Longlands lake/ a trip on the ratty/your back garden)

The important part is the description of our local area – showing not telling the reader.

It needs to be handwritten and no longer than one side of A4 paper (If you need some paper just ask Miss Scott or Miss Dene)

Try and use as many tools from our learning as you can to describe and build up the excitement.

The best entry from Bookwell will be displayed at The Beacon.
