FINAL Summer Term

Welcome back!

I hope you all enjoyed the glorious hot weather last week and are ready to complete your FINAL term in the infants! This term is shaping up to be our busiest one yet with plenty to look forward to including: our performance of Croak, Sports Day and our summer trip to Muncaster Castle! Take a look at what we will be learning about over the next six weeks:

English

In English we will be learning how to write a biography text. We will explore the stories of 2 heroic activists, Malala Yousafzai and Greta Thunberg and the changes they brought about to the world. We will use text maps to learn what makes a good biography before attempting to write our own. Children will also revise key grammar terms including conjunctions, commands and exclamations as well as the spelling rules needed to add suffixes onto root words accurately.

Maths

This term in Maths we will be continuing to build our confidence with the 4 methods of calculation before moving onto Money. We will also begin a bridging unit covering some of the key content from this year in preparation for year 3, to support the transition for September.

PE

PE will take place on **WEDNESDAYS** and **THURSDAYS**. We will be learning how to play cricket as well as developing our communication skills in order to work together as a team. On Thursdays, Mrs Mason will be teaching the skills of athletics, which include running, jumping and throwing.

History

For our final History topic we will be learning about our local landmark, Egremont Castle! Why was it built here? When was it built? Who could've built it? What would it have looked like? Who might have lived inside? Are all questions we hope to find out as we delve into it's past!

Key Dates

Tuesday 27th & Wednesday 28th June - KS1 Concert 'Croak'
Tuesday 4th July - Sports Day 9:15am
Monday 10th July - Muncaster Castle Trip
Friday 14th July - Summer Fair 1:30-4:00pm
