## Year 3

Welcome to Year 3! I hope you are all looking forward to your first year in the juniors and are ready to work hard after your long summer break. There's lots to get sorted out this term and many things to get started such as TTRS. You'll also have more responsibility now you're in Key Stage 2.

### English

We're going to start the year by studying three focus texts - *Leon and the Place Between*, *Nen and the Lonely Fisherman* and *The First Drawing*. We will finish each unit of work by completing some writing based on these stories.

### Maths

This half term we will be studying place value, addition and subtraction, and multiplication and division.

We use a lot of multiplication in the juniors so make sure you're practising your tables at home. TTRS is a really fun way to learn them.

### PE

Our PE lessons will take place on Monday and Thursday. Please ensure your child wears their PE kit on these days. Children should wear a blue t-shirt and plain dark shorts or joggers/leggings, along with their blue hoodies and trainers. No jewellery should be worn in school with the exception of a watch which they will remove for PE lessons.

### Subject Focus

Art — Drawing and painting  
Computing —  
French— Greetings  
History—The Stone Age to the Iron Age  
Music— Let Your Spirit Fly  
PE—Mindfulness and Game Sense Invasion  
PSHE— Being me in my world  
RE— Humanism  
Science— Rocks, Soils and Fossils

### Clothing

Please make sure that all items of your school uniform have your name on them. This solves a lot of problems and saves a lot of time when things go missing . It also stops the pupils smelling every item to check if it smells like the fabric softener used in their house. It's a thing!

Please do not hesitate to get in touch if you have any questions.
