Reception News

Welcome back to school. We hope you have all enjoyed the Christmas break. We would like to take this opportunity to say a great big thank you for all of your cards and gifts.

Our topic this half term is called "Once upon a time". We will be exploring lots of different stories throughout the half term including "The Gingerbread Man" and "The Three Little Pigs".

Homework

High Frequency words

We will be sending out an exercise book that your child can use to write their weekly spellings in. These books can stay at home but we would like you to take a photograph of the spellings in response to the activity on seesaw. A new spelling activity will be set up each week.

Maths Challenges

We will send out a maths challenge on a weekly basis. You can upload a video or photographs of your child engaging with each challenge onto Seesaw.

Chickie and Zog

Your child will be bringing home a dragon or a chick this half term. We would like you to encourage your child to draw a picture and write a sentence about what the dragon/chick did at your house. Please encourage the children to do their own writing. Ask them to tell you about their writing and scroll underneath theirs if you need to. I'm sure the dragon and the chick will have lots of fun adventures. We are looking forward to hearing all about them.

Strive for Five

Throughout the school we are trying to encourage the children to read at least 5 times a week. Please could you encourage your child to read little and often.

P.E

Our p.e sessions will be on Fridays this half term.
