FINAL Summer Term

Welcome back!

I hope you all enjoyed the half term break and are ready to complete your FINAL term in the infants! This term is shaping up to be our busiest one yet with plenty to look forward to including: lots of rehearsals and performance of our KS1 play 'Hats Off!', Skateboarding Workshops, Sports Day, Arts Week and even a visit from a real life author! Take a quick look at what we will be learning about over the next six weeks:

English

In English we will be reading the brilliant book 'Rosie Revere the Engineer' by Andrea Beaty. Children will look at wacky inventions before writing guides and posters to explain how they operate. We will also read the 'The Great Fire of London' in order to write warning posters, diary entries and speeches to King Charles I. Alongside our writing we will revise key grammar terms including conjunctions, commands and exclamations as well as the spelling rules needed to add suffixes onto root words accurately.

History

For our final History topic we will be learning about our local landmark, Egremont Castle! Why was it built here? When was it built? Who could've built it? What would it have looked like? Who might have lived inside? These are all questions we hope to find out as we delve into its past!

Maths

This term in Maths we will be continuing to build our confidence with the 4 methods of calculation before moving onto Money. We will also begin a bridging unit covering some of the key content from this year in preparation for year 3, to support the transition for September.

PE

PE will take place on

WEDNESDAYS and THURSDAYS.

On Wednesday afternoons, we will be walking to the Falcon Club to learn how to play Squash.

On Thursdays, Mrs Mason will be teaching the skills of athletics, which include running, jumping

PE:
Athletics and Squash

RE: What is the best way for a Jew to show commitment to God?

PSHE:
Changing Me

Science:

Electricity

Computing:
Making Music
