

Homework Sheet

Due: Monday 4th June

Reading Race Track

Who will win the reading race track this term?

Try and read every night and it could be you!

I will collect reading records on Friday.

QUICK QUIZZES

Try and answer the grammar and punctuation, reasoning and arithmetic challenges by yourself.

You might decide to split each area across the week rather than doing it all at once.

If there are any questions you are unsure of please leave blank and we can go through it together.

Talking Time

Talk to an adult about the following question:

What would you like to be when you grow up?

Write a couple of sentences about what you discussed in your yellow book then draw a picture.

What would you like to be when you grow up?

1. Which one of the following is a contraction? Tick one.

- Sheila's
- their
- didn't
- hats

2. Circle the adjectives in the following sentences:

- Girls at this school wear a green pinafore and a shirt with long sleeves.
- The bright sun rose over the green field.

Reasoning

1. Here are the grapes in a shop. Sam wants to buy forty grapes. Are there enough grapes?

2. I get 50p pocket money a week. How many weeks will it take me to save £2?

3. When Max went to school he had 9 sweets. He gave 2 away. How many does he have now?

4. Do these calculations have the same answers? Write yes or no for each:

Calculations	Yes or No
$4 + 2$ and $2 + 4$	
3×5 and 5×3	
$20 - 3$ and $3 - 20$	
$35 \div 5$ and $5 \div 35$	

Arithmetic

$$24 + \boxed{} = 39$$

$$66 - \boxed{} = 13$$

$$\frac{1}{4} \text{ of } 40 = \boxed{}$$

$$\frac{1}{2} \text{ of } 14 = \boxed{}$$

$$25 + 10 + 7 = \boxed{}$$

$$10 \times \boxed{} = 60$$

$$41 - 19 - 6 = \boxed{}$$

$$20 \div 2 = \boxed{}$$

5. Sara has 8 balls. Sana has 10 balls. They put all their balls together and share them equally between 2 buckets. How many balls are there in each bucket?

Show your working.

Homework Sheet

Due: Monday 21st May

Reading Race Track

Who will win the reading race track this term?

Try and read every night and it could be you!

I will collect reading records on Friday.

Spellings

Maths

Complete the arithmetic questions on the sheet.

If you are not sure how to answer a question ASK for help!

Talking Time

Talk to an adult about the following question:

What would you like to be when you grow up?

Write a couple of sentences about what you discussed in your yellow book then draw a picture.

What would you like to be when you grow up?

1	$10 + 10 =$	<input type="text"/>	<input type="text"/> 1 mark
2	$15 + 3 + 3 =$	<input type="text"/>	<input type="text"/> 1 mark
3	$39 - 4 =$	<input type="text"/>	<input type="text"/> 1 mark
