Due: Monday 12th March

## Purple Mash

Complete the grammar games.

If you can't access purple mash at home, I will now be offering an optional 'Purple Mash Club' for children every Friday lunchtime to complete their homework tasks. This is optional and so children do not have to attend if they don't wish to.

## Reading

Complete one reading challenge of your choice. This can be a book from home or school.

Any reading challenges not completed by Monday will be done at play-time and/or lunchtime as they are an important part of your homework.

I will be collecting reading records on Friday.
