

HOMEWORK SHEET

Due: Friday 24th November

Purple Mash

This week we will be using positional language to set and follow directions in Maths.

The 2D program sets challenges for children to follow and direct objects around different maps.

Open the 2Do and click the 'Challenges' button in the pop up window. Children are to complete the first 3 challenges yet can complete more if they choose.

Reading

Complete one reading challenge of your choice. This can be a book from home or school.

I will be collecting reading records on Friday.

Spellings

putting

shopping

chatting

beginning

skipping

shocking

shouting

raining

quite

quiet

Spelling test will be on Fri

Maths

Last week we were learning how to add and subtract 10, 11, 20, 21 using a 100 square. This week are focus is measuring using cm and m.

Complete page 22 in the Maths homework booklet.
