

HOMWORK SHEET

Due: Friday 8th December

Purple Mash

By the end of Year 2 children must be able to confidently recall their 2, 5 and 10 x table. We will be focusing on these in school, however any extra practise completed at home will greatly support children's learning during maths lessons.

2do

Times table practice and quick fire quiz.

Reading

Complete one reading challenge of your choice. This can be a book from home or school.

Maths

Complete page 24 in the Maths homework booklet.

Don't throw away your jam jars!

It's that time of year again where classrooms transform into Santa workshops busy making cards, decorations and presents in the run up to Christmas. To make one of the decorations each child will need a clear glass jam jar with the lid but no labels. If you could bring one in with their name on the lid that would much appreciated.

Spellings

Spelling Rules:

Drop the 'e' when adding suffix 'ing'.

Change 'ie' for 'y' when adding suffix 'ing'.

making
smiling
shining
exploding
taking
lying
dying
tying
again
water

Spelling test will be on Fri
