

Y6 Homework

Date Given: Monday 13th November

Date to be handed in/ tested: Monday 20th November

Maths Homework

Please complete page 17 in your question book (the pretty coloured one!). Please do this in pencil. This homework is based around equivalent and simplifying fractions. We have covered it this week. I've included a short reminder below.

Times Tables

Did you manage to beat your times table time this week? Complete the next one. Can anyone beat their new time by 5 seconds?

Mathletics

Please complete at least 20 minutes this week.

English Homework

Please complete page 9 in your grammar book. We learned about pronouns a couple of weeks ago- can you still remember?

Pronouns are words which take the place of a noun in a sentence so that you don't repeat yourself over and over again.

E.g. Mrs Rae took Mrs Rae's car to the car wash because the car was dirty.

This sentence sounds funny as we are repeating ourselves a lot!

Mrs Rae took **her** car to the car wash because **it** was dirty.

We have replaced some of the nouns (Mrs Rae and car) with the red pronouns so we don't repeat ourselves.

Spellings- This weeks spellings will be based on suffixes- there are so many suffixes but we're gradually getting through them!

If your child needs any help completing their homework, please send them to school with it **before** the hand in date. I will be more than happy to help.

Mrs Rae 😊
