

Year 1 Homework

Week Beginning: 7th May

Name: _____

Literacy Homework

This week I would like you to create your very own planet. First I would like you to draw the planet and then I would like you to write about it. The things you could write about are:

What is the planet's name? What is the surface like? Does anything live on the planet? What is on the planet? Does it have any moons? Would you like to live there? (Please explain reasons why you would or wouldn't)

Try to use a simile (for example: as shiny as, sparkling like the/a _____). As presentation of work is very important I would like to see your very **NEATEST** handwriting.

Phonic Screening Test

With only 4 school weeks left until the Phonics Screening Test please practice reading the fake words provided and practice the sounds on the laminated sheet provided.

Phonics Play

This is a fantastic website to practice reading fake and real words. The children use this website in school and it really helps with their reading. Below is the website:

<https://www.phonicsplay.co.uk/>

Click on FREE PHONICSPLAY - PHASE 3/4 or 5 - PICNIC ON PLUTO.

Maths

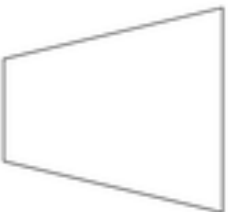

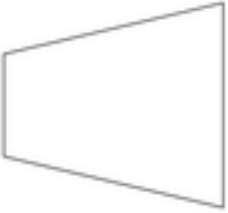

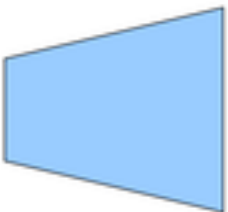

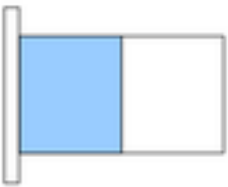

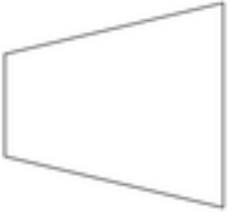

Please complete the capacity worksheet.

Name: _____

Capacity

Name _____

Draw the correct amount of liquid in each container.

 half full	 full	 empty
 full	 empty	 half full
 <input type="text"/>	 <input type="text"/>	 <input type="text"/>

B) Compare the volume of liquid. Write 'more' or 'less' in the boxes.

[24 marks]

1.  

2.  

3.  

4.  

5.  

6.
