

Year 1 Homework

Week Beginning: 4th June

Name: _____

Reading

Read as often as you can and record your comments in the reading diary. Please bring it into school on Friday so that we can check you have been reading. Please practice the phonemes in the middle of the Reading Record too.

Literacy

The children's phonic screening test is next Wednesday and in light of this please can you practice their phonics with them from the laminated sheet provided. I would also like the children to practice their phonics on the website 'Phonics Play' - particularly the 'Buried Treasure' and 'Picnic on Pluto' games. This is a fun website where they can practice reading real and fake words. I have also printed some additional words that I would like the children to practice on the back of this sheet.

Numeracy

Mental maths:

Please practice halving numbers up to 20 and doubling numbers up to double 10. If your child finds doubling easy then try to double numbers up to double 15.
