

# RECEPTION NEWS

Welcome to the Reception Class! The children have already begun to settle in well to their classroom. The Reception team are enjoying getting to know the children and their interests.

This half term we will be working hard to settle into reception by thinking about our own class rules and making new friends. We will also be thinking about our needs and feelings.

Our topic for this half term is called "Ourselves". We will be having lots of fun in our hospital role play area.

In the next few weeks we will be sending sound books home. We will also send a little workbook home each week covering the letter sounds we have worked on. You can keep these workbooks at home. However please keep your Sound Book in your school bag. New letters and sounds will need to be put in each week. All you need to do is go through the sounds encouraging your child to show you the actions for the sounds. They may even remember our songs.

**Forest Sessions**  
Next week your child will be engaging in a forest school session in our wooded area. Please see the forest school information pack for more information.
