

Counting in twos

- [1] Write the numbers that are one more and one less than the number shown. Then write the numbers that are two more and two less.

- [2] [a] How many cubes altogether?
[b] Tick the 16th and 42nd cubes.

- [3] Mia is counting backwards in twos.

96, 94, 92,

Mia

What are the next two numbers that Mia says?

- [4] Find the missing numbers.
