

Learning Project WEEK 9 – Pirates

Thanks for the self-portraits so far, they look amazing. I have finally worked out how to download the Numbots certificate so when you earn one I will add it to your seesaw account. And 'wow; some of your handwriting is looking wonderful in your writing activities and I loved the under the sea junk models. This week is all about pirates so if you think of any of your own activities don't forget to show me on Seesaw. I look forward to seeing some of you on Zoom later today.

Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> Working on Numbots - your child will have an individual login to access this. Maths Lesson 15 (Subtracting Money) Maths Lesson 16 (Recognising notes) Effective Maths Quiz Adding up to 19 – Effective Maths Quiz Subtracting 11 to 19 – you should be able to complete on a mobile phone now Pirate crack the code worksheet – can you make your own questions? Tell the time – I have put an activity on seesaw to practise a little more. See if you can match the clock to the correct time, 	<p>The most important thing is you are reading a variety of books at home. Your child could share a book everyday. This could be reading a book aloud everyday or sharing a book with an adult and just listening or talking about what you have read.</p> <ul style="list-style-type: none"> Read the next chapter in your to do folder on purple mash with an adult – they may need to read it to you then complete the activity based on it Read a book on rising stars and answer the quiz. Your username and log in is the same as your purple mash one the school code is 196600 Read this non-fiction text about pirates and write down 5 facts you have learnt Read a book from oxford owl website. <p>Username: year1book password: Book1</p>
Weekly Phonics/Spellings Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do the handwriting and 2 tasks over the week)
<ul style="list-style-type: none"> Best Bet, which o grapheme? This you tube will get your child thinking about all the different graphemes that make the ee sound. Try and play along on a bit of paper. Revise the trigraph air using this video with Mr Mc on you tube Alternative spelling for the oa sound. See if you can spot the long o sound and sort them into which grapheme represents the sounds Spelling Shed activities set by Mrs Fawcett Purple mash complete the activities Mrs Fawcett has set in your 2do folder <p>Daily letters and sounds – try and log onto the daily lesson that follows letters and sounds programme that we use in school.</p>	<ul style="list-style-type: none"> Revise some of the the curly caterpillar letters using this sheet. There are nine caterpillar letters in total. They are: s, o, q, c, e, a, f, g and d. Watch the bbc daily lesson about ly words then write your own set of pirate rules using ly words. Sayeeda needs your help. Can you rewrite her diary showing her where capital letters and full stops need to go? Message in a bottle – can you write a reply to Sam and Polly?

- Spell common exception words which can be found [here](#)
- [BBC Bitesize](#)

Learning Project - to be done throughout the week:

Portrait

- For those that haven't done it yet. Please could you paint/draw a portrait of yourself and upload to seesaw? We are wanting to make a lovely welcome display in the infant entrance and would love to see all your smiley faces. If these could be completed by the 26th June that would be amazing

Treasure Hunting

- Have a go at finding the treasure using the map on seesaw. You will need to learn the names of the compass directions first.

Sailing the Seven Seas

- To be a good pirate you would need to be good at reading maps and knowing the names of the continents. Last week I asked you to learn the oceans and continents this week see if you can label them on the map on seesaw

Pirate Anagrams

- See if you can unscramble the letters on the activity sheet on seesaw to make a word you usually associate with pirates.

Computing

- This week is the second coding challenge based on bubbles – I have set a 2do in purple mash where there are some really helpful videos. I have also uploaded a video on seesaw to help you too.

Fun Challenge

- Sock in a dish challenge. Standing 2 metres away from a bowl how many times can you throw a pair of socks into the bowl/pan in a minute? Remember to video yourself and upload to seesaw.

Additional learning resources parents may wish to engage with

[BBC daily lessons](#) – Every day new lessons are being uploaded.

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.
