Learning Project - to be done throughout the week: Trees

Evergreen or Deciduous

- Find out about what makes a tree evergreen or deciduous. Then try the sorting activity on seesaw.

Tree Spotter

- This week on your daily exercise see how many of the trees on the sheet you can find by looking for the leaves. Then have a go at this [tree spotter activity](#) online.

Study a tree

- Have you ever stopped to look closely at a tree in your garden or street? What sort are they? How old are they? Are they important for wildlife? Do birds roost or nest in them. See this activity to help you [find out more about a tree](#).

Family tree:

- Look at photographs of your family members and discuss where they would go on a [family tree](#). Have you met everyone? Is there anyone you could interview and find out more about?

Computing

- Some of you have been accessing e-books at home. Over the next couple of weeks using purple mash you are going to have a go at making your own e-book. First watch [The Pirate Cat](#). Then watch the video of how to create your own character before having a go at the to do on [purple mash](#).
