Year 1 Homework

To be handed in on Monday 3rd February

Maths

- This week we have been looking at coins. I have included a cut and stick activity which is great for maths and cutting skills - please stick it into your homework book once completed. Try and sort real coins at home too into colours size, less than 20p more than 20p piles.
- Maths Games - PLEASE RETURN ON MONDAY (we can't send it out until they are all returned) each week your child will bring a maths game home to play. If there is anything missing from the bag, please pop a note in the bag letting us know what is missing. Please also jot a comment in their homework book letting us know how they got on.
