

Name:

# Year 1 Homework

To be handed in on Monday 11th November

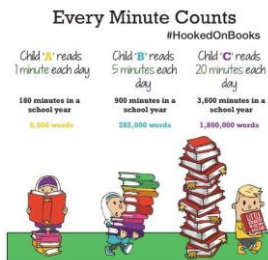

## Maths

- Number bonds to 10 activity - we have been working on our number bonds to 5, 6, 7, 8, 9 & 10. You can help embed this by asking them to think of two numbers that make/are equal to/add to make that number. Some children may need objects to count and help reinforce this.
- Maths Games - PLEASE RETURN ON MONDAY (we can't send it out until they are all returned) each week your child will bring a maths game home to play. If there is anything missing from the bag, please pop a note in the bag letting us know what is missing. Please also jot a comment in their homework book letting us know how they got on.

## English

Reading is the most important part of your child's homework. We aim and encourage all children to read five times a week.

'Strive for 5'

Please ensure children bring their reading records into class daily and put them in the white box.
