

Name:

Year 1 Homework

To be handed in on Monday 7th October

Maths

- Counting forwards and backwards in 2's. Please encourage your child to cut out the numbers themselves and practising counting forwards and backwards from the different numbers. These sheets can be kept and reused or you could glue into homework books
- Maths Games - PLEASE RETURN ON MONDAY (we can't send it out until they are all returned) each week your child will bring a maths game home to play. If there is anything missing from the bag, please pop a note in the bag letting us know what is missing. Please also jot a comment in

English

Reading is the most important part of your child's homework. We aim and encourage all children to read five times a week.

'Strive for 5'

Please ensure children bring their reading records into class daily and put them in the white box.

Handwriting

Last week we introduced the letter i.

Letters learnt so far l, i

Spelling

To help your child practise their sounds I will send home eight sound talk cards home with them to practise sounds. I have uploaded a video to the school website to help you. (Year 1). Remember tricky words can't be sounded out.

Science

Children are looking at the different parts of the body and exploring their senses. See if you can use the senses to explore autumn e.g. taste blackberries, listen, feel and smell, leaves, look at the different colours in the trees
