

Learning Project: Summer Term: Week 7

Hi Year 4,

Hope you have had a good half term.

I have included a wide range of learning tasks this week to get us motivated. Try and read all the planning first so you can see what is on offer. There are 2 learning links in **Reading and Writing (Jet Pack)** and in **Reading and Geography (Caring for our Environment)**.

I would love to see you try **some** of the French, PE or Art.

Please keep in touch. Stay safe and remember to have fun and play.

Mrs Robinson.

Weekly Maths Tasks	Weekly Reading Tasks
<ul style="list-style-type: none"> Working on Times Table Rockstars (20 mins on SOUND CHECK). Effective Maths Lesson 1 Decimal notation for volume 1. Set as a Seesaw activity please take a screenshot and post it on Seesaw. Effective Maths Lesson 2 – Decimal notation for volume 2. Set as a Seesaw activity please take a screenshot and post it on Seesaw. Design and annotate your own version of a jet pack. This task can be combined with Jet Pack Booklet in writing tasks. Working on Read Theory – your child will have an individual login to access this. Read and complete the comprehension questions. Caring for our Environment. Read 'Caring for our Environment' pages 6-11 on Curriculum Visions. Then answer these questions. What is a habitat? What does extinct mean? What does endangered mean?
Weekly Spelling Tasks	Weekly Writing Tasks
<ul style="list-style-type: none"> Practise your spelling on Spelling Shed Look at the 5 Common Exception words below, practise spelling them using words within words. Write the word and find smaller words within them, e.g. spelling = line, gel, in, etc.... knowledge caught continue quarter occasionally 	<ul style="list-style-type: none"> Jet Pack Manual. Write an instruction manual for your jet pack. Use a double page spread in your exercise book. Use sub headings and write in full sentences with the correct punctuation Include: How to put it on. How to control it. Special features. Safety points. Pictures or diagrams BBC Bitesize lesson. How to use a semi colon. Using Similes and Metaphors. Template on Seesaw.

- Spag Mat on Seesaw.

Learning Project – to be done throughout the week

BBC Bitesize Daily Lessons

Access the BBC Bitesize Daily Lessons website
<https://www.bbc.co.uk/bitesize/tags/z63tt39/year-4-lessons/1>
and complete one English and one Maths activity.

Access the Curriculum Visions website – <https://www.curriculumvisions.com>
(Your Username: BookwellSchool/0001 Password: Bookwell)

Geography

Caring for our Environment.

[Read 'Caring for our Environment' pages 6-11 on Curriculum Visions.](#)

Design a poster about what you have learnt. You don't need to include everything just focus on what you have found most interesting.

Science

Circuits and Conductors.
End of unit assessment on Seesaw.

French

Revision of French days of the week. [BBC Bitesize: A French song about the days of the week.](#)

Record yourself saying the days of the week OR practise and perform the chorus.

Find yourself some shades, a tie and a spoon as a microphone and go for it!

Art

[Access Art: Draw Small.](#)

Your challenge is to draw a collection of tiny objects – by tiny we mean things which are roughly the size of a five pence piece.

Watch the clip and read the instructions and have a go.

P.E

Cereal box challenge - how many two footed jumps can they do over the box without stopping (like speed bounce)

Record and post onto Seesaw.

Please get in contact if you have any problems.
