- Complete the attached SPaG pdf. Do the 2 star sheet or, if you fancy a wee challenge, try the 3 star one. You don't need to print it out, you can just write the answers in your red books.

Other subjects - to be done throughout the week

- Science
 - Go onto BBC Bitesize and watch the videos and try some of the activities. <https://www.bbc.co.uk/bitesize/articles/zjx6v4>
Think what information you have learned. Create an information poster explaining what you know about light.
- French
 - Using the attached sheet, match up the photo of the pencil case items to the French word. You could also use these to play matching pairs. If you can't print the sheet out, write the word and draw the objects instead.
- BBC Bitesize
 - Complete a few lessons on BBC Bitesize. There are lots of different subjects. Choose some that you like the sound of. <https://www.bbc.co.uk/bitesize/tags/zmyxxyc/year-3-and-p4-lessons/1>

[Headteacherchat](#) - This is a blog that has links to various learning platforms. Lots of these are free to access.

Another busy week with lots of super work being completed. I loved reading about your favourite holidays. It was making me wish I could go away on a wee break just now. I also learned lots of new facts about different countries. Someone even did Scotland so I was a happy chappy.

Some people have decorated stones and left them outside the school. They look fantastic! Please add to it if you get the chance. Myself, Mr Pickering, Mr Hardy and Mrs Kelly are enjoying seeing all the activities you've been doing. If you have any recipes, games and activities for the rest of the class, let us know by writing, filming and photographing and make sure you press the globe icon to share it on the class blog.

Still missing you all.

If you need any help or have any questions, send me a message on Seesaw or send me a wee email.
