

## Home Learning Week 5

**Year 3**  
**I hope you enjoyed the long weekend and celebrated VE Day in style.**  
**Here is your work for week 5 of the summer term.**

### Weekly Maths Tasks

- Working on Times Tables Rockstars. Please make sure you go on this week. Let's try and beat the other classes ☺
- Working on Mathematics.
- Maths Quiz – Any quiz from Block 1

### Weekly Reading Tasks

- Listen to your child read and let them discuss what they have read. Encourage them to read with expression and intonation.
- Get your child to read a book on [Oxford Owl](#) or their own novel and discuss what your child enjoyed about the book.
- Do some comprehension on read theory  
<https://readtheory.org/auth/login>  
Your log in details were included in your home learning packs.
- Type, record or write a short book review about a book you have read. Explain why you would or would not recommend it.
- This is optional again. If you fancy recording yourself reading again, go for it. Choose a page of a book and record yourself reading it. Upload it to Seesaw. Remember to use expression.

### Weekly Spelling Tasks

- Choose five Year 3/4 [Common Exception](#) words and write a sentence using them all. Repeat twice.
- Practise spelling on [Spelling Shed](#)
- Roll a dice and complete the task. Work through this week's spellings.

Roll a die or ask someone to pick a number from 1-6 for each spelling.

- Write your word in a full sentence.
- Write your word in capital letters.
- Write your word three times.
- Write your word in different colours.
- Write what your word means.
- Spell the word out loud.

### Weekly Writing Tasks

These don't need to be long or exhaustive pieces of writing. The aim is to complete some writing each day so it's not a shock to the system when we come back to school ☺

- Listen to this piece of music  
<https://www.youtube.com/watch?v=aYAJopwEYv8>  
Parents, please keep the title hidden. Write down what you can see in your head as you listen? We have done this before in music and we could hear wind, horses running, a train and an elephant. What can you hear and imagine in this piece of music?
- Write about the best holiday you've been on. Where did you go? What was the weather like? Was there a swimming pool? Any water slides? Did you have ice cream or slushes?

### Other subjects - to be done throughout the week

- Science
  - Complete the growing plants task on Purple Mash. Log in and then click on the '2Dos' icon. The task will be there. Use the words and pictures to write what happens as a plant grows. You've completed a task already about what a plant needs to grow. In this task, you need to describe how a plant grows as well as include some information about what it needs to grow.

- Geography
  - Complete a fact file about any country in the world. Include information about things like population, capital city, flag, official language etc. You can add any interesting facts and include drawings.
- BBC Bitesize
  - Complete a few lessons on BBC Bitesize. There are lots of different subjects. Choose some that you like the sound of.

### Additional learning resources parents may wish to engage with

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

[Headteacherchat](#) - This is a blog that has links to various learning platforms. Lots of these are free to access.

**It was another busy week last week. There was lots of artistic bunting and some super code breaking. You all seemed to learn what VE Day was and why it is so significant.**

**Some people have decorated stones and left them outside the school. They look fantastic! Please add to it if you get the chance. Myself, Mr Pickering, Mr Hardy and Mrs Kelly are enjoying seeing all the activities you've been doing. If you have any recipes, games and activities for the rest of the class, let us know by writing, filming and photographing and make sure you press the globe icon to share it on the class blog.**

**Hopefully we'll see each other again very soon.**

If you need any help or have any questions, send me a message on Seesaw or send me a wee email.
