Year 3

Welcome to Year 3! I hope you are all looking forward to your first year in the juniors and are ready to work hard after your long summer break. There's lots to get sorted out this term and many things to get started such as Mathletics and TTRS and more responsibility now you're in Key Stage 2.

English

We're going to start the year by studying our focus text 'Stone Age Boy' and writing a finding tale about going back in time to the Stone Age and meeting someone. We'll be revising some punctuation and grammar and learning some new things too.

Maths

This half term we will be studying mass, place value and addition and subtraction.

We use a lot of multiplication in the juniors so make sure you're practising your tables at home. TTRS is a really fun way to learn them.

PE

Our PE lessons will take place on Tuesday and Thursday. Please ensure your child wears their PE kit on these days. Children should wear a blue t-shirt with the school logo and plain dark shorts or joggers along with a pair of trainers. They can also wear a school hoody or a plain blue hoody instead of their jumper or cardigan on PE days.

Subject Focus

Art — Painting
Computing — Online Safety
French— Greetings
History—The Stone Age to the Iron Age
Music— Let Your Spirit Fly
PE— Orienteering and Netball
PSHE— Being me in my world
RE— Diwali
Science— Rocks

Clothing

Please make sure that all items of your school uniform have your name on them. This solves a lot of problems and saves a lot of time when things go missing . It also stops the pupils smelling every item to check if it smells like the fabric softener used in their house.

Please do not hesitate to get in touch if you have any questions.
