

Mrs Watson and Mrs Fawcett welcome you to Year 5!

Make a note of your Mathematics login details here:

Maths. This half term we will be covering work on place value, column addition, times table facts, factors, recognising and naming features of 2d and 3d shapes.

It is important that you are constantly revising your times tables, doubles and halves, number bonds to 100. The better you are at these the easier you will find maths.

Science: Learn about the properties of solids, liquids and gases. ! Lots of experiments linked to some weird and wonderful substances mentioned in 'The BFG' and 'Charlie and the Chocolate Factory'.

ICT (Information and Communication Technology).

Create an interactive quiz game using a programme called Scratch. You can download a copy of the software at home (it's free!): www.scratch.mit.edu/download.

Year 5 News - Autumn Term 2013

Literacy. Reading Records are part of homework so please ensure you fill them in and bring them in with your homework on Mondays. This half term our class books will be **The BFG** and **Charlie and the Chocolate Factory** by Roald Dahl as we will be investigating Roald Dahl during Literacy — so see if you can read one/ more of his books for your reading record.

Step inside the World of Roald Dahl and his amazing stories and poems.

Art. Create a design for lickable wallpaper, and sweetie-inspired art based on the work of contemporary artist Sarah Graham.

D.T. (Design and Technology).

Create your own fruit that Willy Wonka discovers in a far off land! Then design and make packaging for your fruit!

Geography. Explore some of the countries that the BFG and the other giants visited in the BFG story book. Choose one country to do an in depth study about!

History. Discover much more about the remarkable life of Roald Dahl, placing significant events in chronological order.

P.E. Gymnastics and Rugby. P.E. takes place on Tuesdays and Fridays but please have your kit every day, as there may be extra sporting activities.
