Year 5 News

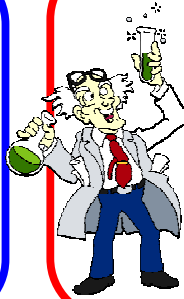

Last Term in Year 5

We hope you are all looking forward to your last half term in Year 5 and will be working hard for us both. This term will be slightly different for you because you will now have 2 teachers. We will usually be working 5 days in a row changing over on a Thursday, don't worry you'll soon get the hang of it.

Maths

This half term we will be looking at capacity, measuring angles, division using standard written methods and then we will finish the year with some fraction work.

Science

This term our topic is; interdependence and adaptation. Sounds complicated but is all about animals and how they have adapted to live in different environments and how animals depend on each other for survival.

Other Topics

RE ~ Symbolism
Geography ~ Should the street be closed to traffic
Art ~ Sweets
PSHE ~ Changes
French ~ Les Sports

ICT

In ICT we will be learning how to create a game using Scratch. You can download a copy of the software at home www.scratch.mit.edu/download

PE

This term we will be working on the athletics skills of running, jumping and throwing in order to improve our skills and hopefully gain some personal bests in each event in our athletics award scheme.

Dates for Your Diary

Date	Activity
28 th June	Trip to Mirehouse
1 st July	Sports Day
10 th July	Art Exhibition
11 th July	Reports Out
12 th July	Victorian Day
19 th July	Break Up

Literacy

This half term we will be studying work by the author Roald Dahl. We will be looking at how he uses description and action to create interesting stories that have entertained children for decades. Try and read *The BFG* and *Charlie & the Chocolate Factory* at home to help you with our work in class.
