Maths

Make sure you keep practising your times tables!

This half term's work involves investigating measure in particular time and measuring mm. Then we move on to some fraction and decimals work.

Design & Technology

This half term we are designing and making Christmas Stockings. We have materials in school but if anyone has something at home they wish to use or add to their design please try to bring it in by 19th November.

Literacy

This term's work involves looking at various kinds of adverts and instructions and reading a version of "A Christmas Carol" by Charles Dickens. We will be concentrating on complex sentences and using speech punctuation accurately.

READING please make sure you read at home everyday. Some of you aren't filling in your reading records and bringing them in so I don't know if you are reading at home.

Dates for Your Diary

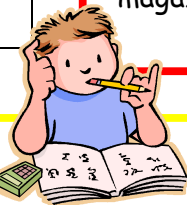

Date	Activity
16 th Nov	Children in Need
30 th Nov	Christmas Fair
10 th Dec	Project In
11 th Dec	Joint Carol Service
12 th Dec	Party Day
19 th Dec	Carol Service

ICT

In ICT we will be learning all about using software to create adverts. We will be looking at newspaper and magazine adverts as well as radio and television advertising.

Homework Project

To link in with our topic work on water, this half term I would like the children to make a flood emergency poster or booklet.

Step 1: Do a little research about flooding, find out about the problems and existing advice.

Step 2: Quickly create a rough draft poster or booklet just in pencil. Evaluate it see if you have missed out any important information, check for spellings and grammar.

Step 3: Make your final version. May be handwritten or on a computer

Geography

This term we will be investigating water, looking at where we get our water from, how we use water, and parts of the world where water can be a problem.

Other Topics

RE ~ Living Stones
