

Summer Term
Issue 5

Year 5 News

Year 5 aiming high!

Literacy

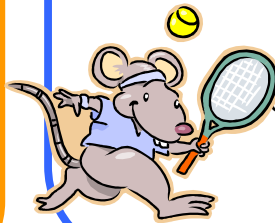

This half term we will be working on extending our punctuation to include , ; - () and ensuring we work on our sophisticated connectives. We will be looking at persuasive letter writing, newspaper reports and our own disaster at sea stories.

Remember; Reading & filling in your reading record is part of your literacy homework.

PE

This term we will be receiving coaching from tag rugby league coaches. This will be on a Wednesday. We will also be developing our tennis skills and putting it into mini games.

PE kit reminder ~ white t-shirt, blue shorts and plimsolls for indoor PE. Outdoor you can wear tracksuit bottoms and trainers however these need to be different to school shoes.

Dates for Your Diary

Date	Activity
16 th April	Titanic Trip
23 rd April	St Georges Day
25 th April	Rugby Coaching Starts
14 th May	SATs Week
28 th May	Sports Day
28 th May	Jubilee Week
30 th May	Jubilee Concert
31 st May	Tag Rugby Tournament
1 st June	Homework Project

Science

This term our topic is life-cycles. Our science work will be based around life-cycles of plants and how they re-produce however we do briefly look at human and animal life-cycles.

Maths

In maths this half term we will be focusing on fractions, decimals and percentages then long multiplication and division by chunking. The better you know your times tables the easier this will be.

Homework Project

To celebrate the Queen's Diamond jubilee at home I would like you to create a poster/presentation/fact file based on a decade from the Queen's Reign. You could include information on prime ministers, new inventions/trends, popular music/bands etc. Please ensure you hand it in on Jubilee Week.
