Year 5 News

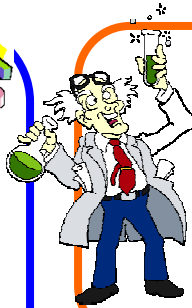

Last Term in Year 5

Maths

This half term we will be looking at data handling. Reading timetables, rounding up or down when solving problems. Finding area, written methods for area.

Science

This term our topic is; Life cycles. We will be investigating the Life Cycles of plants and learning about the function of each part in the reproduction of the plant before moving onto animals

PE

This term we will be continuing on our athletics and trying to improve our achievement last year. Tennis will be our other sport this term.

Dates for Your Diary

Date	Activity
7 th June	Natwest Money Lesson
8 th June	Rugby Tournament
15 th June	Sports Day
27 th June - 1 st July	School Sports Week (Personal Best)
28 th June	Y5 Science event at West Lakes Academy
22 nd July	Project in

Literacy

This term we will be continuing our magic castle work by looking at and creating our own TV advert and then moving onto myths and legends before finishing the term with some work on Grandpa Chatterji. Remember to keep filling in your reading passport to get a certificate at the end of this term.

Homework Project

This half term I will be introducing year 5 to Bookwell school's VLE (Virtual Learning Environment) and setting their project on there, via the internet. If your child has problems accessing the internet outside of school let me know and I will make arrangements at lunch time for them to complete their task. To access the VLE just go via our class page on the school website www.bookwell.cumbria.sch.uk.

Your child will be given a school email address and username & password to access this secure area. There is an opportunity for the children to enter a chatroom; this is a totally secure area that can only be used by year 5 children at Bookwell and staff.
