

Year 2 Newsletter

June - July 2014

Please ensure that all P.E. kits are kept in school during term time. Also please ensure that your child has their name in their jumper as they will be taking them off during the warmer weather and it can be difficult to sort them out when names are not inside.

Reading and Phonics

Regular reading at home with your child is very important, even when they are reading fluently. Understanding of the story and reading comprehension are a vital part of reading. Please sign your child's reading record each time you have listened to them read and ask them questions based on what they have read - ie: why do you think the character acted that way? What might happen next?

Please practice the phonemes found in your children's reading record with them - "Which letters make the 'ai' sound?", "What is this sound?" Knowing these phonemes will help with the children's spelling when they sound out their words.

The Litter Muncher

Well done to all the children for their fantastic performances in The Litter Muncher. They all did a fantastic job!

SATs

The children worked very hard last term completing their SATs so were rewarded with a chance to go on the adventure playground at the end of the term.

Half Term Topics

Science - Variation and Electricity.

Geography - Going to the Seaside.

History - World War 1.

PE - Games skills.

Art - Mosaic.

PSHE - Changes.

ICT - Recording information and using the Roma.

Homework

Homework will continue to be handed out every Monday and returned by the following Monday. Thank you once again for the fantastic effort with homework and ensuring that children are completing their work with good standards of handwriting and checking their work for mistakes and spelling errors. This really does benefit the work that they do in class.
