

Time goes so Quick!

Year 6 Newsletter

Edition 6

June 2014

Welcome to final issue of the Year 6 newsletter. We hope you enjoy reading about the things we will do during this, our last, half term in Year 6

Don't Forget

July 2nd - West Lakes Academy
Taster Day
July 16th - Leavers' Concert
July 18th - End of Term!

MATHLETICS:

I have changed the units to Year 7 so that the children can see the type of work they will do next year. Please make sure they go on this every week. If you have a computer issue please let me know as I do expect each child to work on this at home.

After all that hard work and revision the SATs are finally over!!!

Most of the children enjoyed taking the tests, and did not think they were as bad as they thought they would be. The results will be back in school by 11th July.

Whatever the results are, I can honestly say that all the children tried their absolute hardest during the SATs week.

WELL DONE!!!!!!

Just a reminder about Taster days. You should have be informed by your Secondary School now about the arrangements for taster day. If not they should be coming soon. The following dates for taster days are:
West Lakes 2nd July 2014

This term will be another busy term for us all in Year 6. Even though we have finished our SATs, there is still a great deal of work left to cover. Our main topic for this half-term is World War 1. We have a couple of visitors planned to try and help us with this topic. It will be a really interesting topic for the children to find out about.

We are also going to be finding out more about the Ancient Egyptians in our history topic.

As well as all this, we will be preparing our leavers' concert which we will perform in the final week.

Please don't forget outdoor PE kits for Monday and Friday

Quick question:

Name the river that runs through Egypt.

Where is the Great Pyramid located?

How long is the Great Sphinx?
