

Spring is Near!

Year 6 Newsletter

Edition 4

February 2014

OLÁ!

I hope you all had a relaxing half term and now ready for the next 7 weeks.

Topics

In Literacy this half term we will be focusing on extended writing, learning how to plan and write our stories within a short space of time. In addition to this we will be doing lots of reading comprehensions.

In Maths we will be working on the areas which we find hard, so we will be doing lots of work on percentages, fractions and decimals!!! We will also be going back over some of topics we covered at the beginning of the year.

In Science we will be going through all the units to check our understanding.

In our Geography topic we will be continuing to look at Kenya and how their lives compare to ours.

How to help!

Here are a few ways you can help your child prepare for the SATs.

1. Helping with weekly spelling.
2. Continue listening to your child read and questioning them about various aspects of the text.
3. Working through times and division tables.
4. Using the revision books to revise what we need to know for our SATs.

Can you find out the Capital Cities of these Countries?

1. Argentina
2. Belgium
3. Greece
4. Kenya
5. Hungary
