

Christmas is coming!

Year 6 Newsletter

November 2012

Another busy half term ahead, with lots to get through before we break up for Christmas.

Please remember that if you do have problems or questions then please do not hesitate to come in and discuss them with me.

Topics

In Literacy this half term we will be looking at non fiction and how we adapt our writing for these types of texts.

In Maths we will be doing lots of problem solving involving time, shapes and money.

In Science we shall be learning about forces and about the changes in motion which occur when forces act on an object.

In our main topic this term we will be finding out what we can learn about recent history from studying the life of a famous person. We will be finding about the life of the Queen and world events which have taken place during her life time.

Homework

Just a reminder about homework: The children will be given homework each Monday and this should be handed in the following Monday. Reading books should be brought into school everyday with the reading record.

Important Dates

Children in Need - 16th November
Carol Service—19th December
End of Term - 20th December

In ICT we will be using a piece of software called Google Sketchup, which can be downloaded free from <http://sketchup.google.com/> This software allows us to create 3D models on the computer.
