

# Spring is Near!

## Year 6 Newsletter

Edition 4

February 2012

# OLÁ!

I hope you all had a relaxing half term and now ready for the next 6 weeks.

### Topics

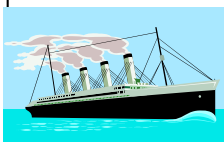

In Literacy this half term we will be focusing on extended writing, learning how to plan and write our stories within a short space of time. In addition to this we will be doing lots of reading comprehensions.

In Maths we will be working on the areas which we find hard, so we will be doing lots of work on percentages, fractions and decimals!!! We will also be going back over some of topics we covered at the beginning of the year.

In Science we will be going through all the units to check our understanding.

We will be starting our topic 'Titanic' this half term, so please help your child find out extra information to help them with this topic.

Can you find out the Capital Cities of these Countries?

1. Argentina
2. Belgium
3. Greece
4. Kenya
5. Hungary

### Dates for Your Diary

Wed 7th March	-World Maths Day
Mon 12th March	- Parents Eve 3
Thurs 22nd March	Junior Concert 1.30pm
Thurs 22nd March	Junior Concert 6.00pm

### How to help!

Here are a few ways you can help your child prepare for the SATs.

1. Helping with weekly spelling.
2. Continue listening to your child read and questioning them about various aspects of the text.
3. Working through times and division tables.
4. Using the revision books to revise what we need to know for our SATs.
