

SATs SOON!!!

Year 6 Newsletter

Edition 5

April 2012

Welcome to issue 5 of the Year 6 newsletter. We hope you enjoy reading about the things we will do during this, our fifth, half term in Year 6.

SATs Timetable

Monday 14th May	Tuesday 15th May	Wednesday 16th May	Thursday 17th May	Friday 18th May
Reading Test 45 minutes (plus 15 minutes reading time)	Writing Test (short) 20 minutes & Spelling Test 10 minutes	Mental Mathematics Test 20 minutes	Mathematics Test B 45 minutes	Science Test (School Assessment)
	Writing Test (long) 45 minutes	Mathematics Test A 45 minutes		

This half term we will be taking the end of Key Stage 2 SATs. We have recently been revising much of the work that we have done in the Juniors. Some of the test questions could be on any of the maths or science we have studied since 2008 so there is a lot of revision to do. The dates for the test are above.

Please help with the following:

1. We still need you to read at home each day.
2. Keep up the work on our multiplication tables.
3. Continued work on the spellings that we find difficult.
4. Learn the science facts and process to help with revision.

Quiz Time

1. Can you name the male and female parts of a flower and say what they do?
2. Why are electrical cables coated with plastic?
3. How are shadows formed?
4. How many 20p coins make 889.20?

This half term ends on 1st June. We return to school on 11th June. Don't forget the Bank Holiday on Monday 7th May.

We will be continuing our topic of Titanic this term. Our main topic for this term is Ancient Egypt. In this topic we will be finding out about the way of life of people living in ancient Egypt from archaeological discoveries. The children will also be using many different sources of information to make observations, inferences and deductions about life in Ancient Egypt.
