

Y6 Homework

Date Given: Mon 18th September

Date to be handed in/ tested: Mon 25th Sept

Maths Homework

Complete page 4 AND page 8 in your maths homework book. Please do this in pencil.

Times Tables

This week, we will be revising the **four times table**. There is a sample grid on the back where children can revise these times tables.

Mathletics

Well done to those children who completed Mathletics last week. This is a fabulous resource that we buy into to help the children move forward quickly with their maths learning. It is important that they complete tasks weekly- 20 minutes per week is adequate. Children who do not have internet access at home can attend homework club on a Tuesday in order to complete it; otherwise, I expect all children to complete this homework. We will be reviewing their Mathletics usage at parents' evening.

English Homework

Our new homework books have arrived! Please complete pages 2-3 in your Comprehension Book.

Spellings- This week's spelling are based on the 'ough' letter string. Learn these carefully. There are also some of our Y6 tricky words included.

If your child needs any help completing their homework, please send them to school with it **before** the hand in date. I will be more than happy to help.

Mrs Rae ☺
