

# Reception News

Welcome back to school.

I hope you all had a lovely Easter Holiday

We are going to be working on old and new toys, teddy bears and magnets this half term. We will be busy!

REMINDER: Please send your maths game and your spelling book back to school by **Thursday** at the latest - thank you

You will be able to wear your summer uniform if you wish. Please remember to put labels in all your new uniform. Many jumpers are left outside after playtime without names in and the children are very unsure which is theirs.

Your child will be bringing home a list of spellings each Friday. Will you help them to spell the words in their spelling book and bring them back to school by the following Thursday. Please use the LOOK, SAY, WRITE, CHECK method of spelling. Thank You

We will be getting our class photographs taken this half term. So big smiles please!

Our class assembly will take place on Wednesday 25 April at 10.00 in our school hall. We can only accommodate 2 places per child due to lack of space in the hall.

Please try and use some mathematical words when you help your child with their numbers. Words like—"more than, less than, addition, subtraction, finding the difference, sorting, biggest, smallest, tallest, shortest, first, last.

Try to encourage your child to use a number line when you are working with numbers. Playing games such as dominoes, snakes and ladders, bingo, skipping—keeping count. All these will help your child have a better understanding of numbers.
