

Reception News

Welcome back to school.

I hope you all had a lovely Easter Holiday

April 2011

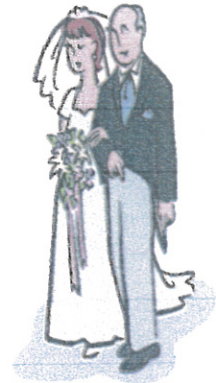

We are starting new work on Fairyland soon. You will be able to see the work in our classroom.

REMINDER: Please send your maths game and your spelling book back to school by Thursday at the latest - thank you

You will be able to wear your summer uniform if you wish. Please remember to put labels in all your new uniform. Many jumpers are left outside after playtime without names in and the children are very unsure which is theirs.

Your child will be bringing home a list of spellings each Friday. Will you help them to spell the words in their spelling book and bring them back to school by the following Thursday. Please use the LOOK, SAY, WRITE, CHECK method of spelling. Thank You

We will be working on activities that relate to the Royal Wedding for the first two days that we start back to school.

Please try and use some mathematical words when you help your child with their numbers. Words like—"more than, less than, addition, subtraction, finding the difference, sorting, biggest, smallest, tallest, shortest, first, last.

Try to encourage your child to use a number line when you are working with numbers. Playing games such as dominoes, snakes and ladders, bingo, skipping—keeping count. All these will help your child have a better understanding of numbers.
