

# Reception News

## Happy New Year from all in Reception Class

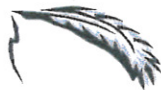

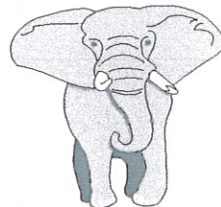

In our topic this half term we are learning about The Post Office and about sound, light and colour

Can you bring in a piece of work which shows something big or small or heavy or light?

Have you any scrap paper that we can use in the classroom?

Can you collect old envelopes and post cards for our Post Office please?

**IMPORTANT**

**Please remember to bring your maths game into school by THURSDAY at the latest. THANK YOU!!**

Your child will be bringing home a packet containing some items about Postman Pat. I hope that this will help you to encourage your child to write a sentence about the picture that they will draw. Have fun working together but remember this has to be your child's work not yours!

We only have a limited number of packs to give out, so please be patient your child's turn will come!

Can we have the packs back the following day please, then others won't have to wait too long. *Thank you*

Over the next few weeks your child will be bringing home a word pack containing 10 words. Will you help him/her to read these words and help develop their skill in word building and learning to read through memory? Please return these packs **each day** as we only have a limited number of packs. *Thank you*
