

# Year 1 Newsletter June-July 2013

Our topic for this half term is 'Africa' . We will be working on lots of different stories that involve the African culture. We will also be tasting some lovely African food dishes, yum!

In history we will be exploring homes from the past in England and in Africa. We will be looking at the similarities and differences between homes today and in Africa.

We will be exploring Adinkra symbols. We will try to create Adinkra symbols using acrylic paints.

In P.E we will try out different balances. We will also link our balances together.
