

Year 1 Newsletter April - May 2013

This half term we will be working on a new topic called A Gardener's World. We have lots of exciting activities to carry out throughout this topic so let's get started.

We will be working on the story 'Jaspers Beanstalk.

It is National Gardening week this week from today the 15th of April. We are going to plant lots of seeds. See if you can plant some at home too.

We will be sending out some maths problem solving challenges with the homework this term. Please can you put your working out and answers in your homework book. Please bring them back in every Monday with the rest of the homework.
