

Year 1 Newsletter November 2012

Our Half Term Topics

Our main topic this half term is called 'Fire and Ice' and many of the mini topics fit into this.

Science- materials
 History/Geography- Fire of London
 R.E- Christianity—giving and receiving
 I.C.T- using a word bank
 Art- hot and cold colours

In technology and art we will be designing and making lots of decorations, cards, calendars and gifts for Christmas

Our class assembly is on the 5th of December in the hall. It is all about our topic of Fire and Ice.

Our P.E lessons are on Monday, Thursday and Friday. Please do not forget your P.E bags.

In science we will be exploring lots of different materials. Have a look around your house to see how many different materials you can find.

Please come and see me if you have any problems.
