

Year 4 Newsletter

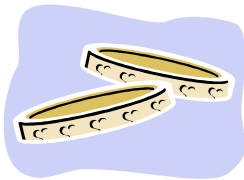

April 2011

Our new topics

Welcome back to term 5! It's hard to believe that we are beginning the summer term already. I hope you all had a lovely Easter holiday.

As you know, we will spend the first two days back learning through Royal Wedding activities. Year 4 will be creating ceramic commemorative plates to keep as a memento of the special occasion. Please don't forget to come dressed as a wedding guest in your smart clothes on Thursday (28th).

In numeracy this term, we will be revisiting word problems and fractions and using decimal notation as well as further investigating number patterns and using written methods for calculations. We will also be looking at shape and interpreting data.

In literacy, we will be studying biographies and persuasive texts like advertisements and writing our own.

Our guitar lessons will continue this term and we hope to be holding another concert very soon to show what we have learned.

In PE we will be practising athletics and squash and sports skills which we will be learning at the Falcon Club at 10.15 every Wednesday. Please remember to bring a drink with you!

We will also be starting a new topic this term which you will find out more about on Thursday. It's going to be lots of fun and we will be learning lots of different skills through many exciting art and design and literacy activities. If you have any big brown cardboard boxes please bring them into school for this project.

Don't forget...

To help us learn our tables and spellings thoroughly and ensure we are reading every day.

School is closed on Friday 29th April and Monday 2nd May.

Please ensure you bring a pencil to school every day!
