Term 3

Our new topics

Welcome back to term 4! We have lots of exciting new topics to keep us busy this term. In numeracy, we will be continuing our work on data handling and moving on to weight and measure. In literacy, we will be studying explanation texts and looking at plays. In science, our focus is moving and growing and in geography we will be investigating how to improve our environment. In RE, we will be learning about Easter and in French we will be discussing our routines and birthdays. Music this term will be our guitar lessons with Mr Wray and in PE we will be learning dances of the sea and hockey skills. In ICT, our work will focus on repeating patterns and we will be continuing our work on journeys in art.

World Book Day

World Book Day is on Thursday 3rd March. We will be creating book chains to tell people about books we have read and encourage others to read them. Please come to school prepared to talk about a book you have read. Think carefully about the characters and plot and what made it good or not so good.

Please remind us to read EVERY day.

Please ensure your child brings a pencil to school every day.

Dates to remember

Parents' Nights -
2nd Mar,
7th Mar &
15th Mar

World Book Day -
3rd Mar

Comic Relief: Make Your Hair Look Daft -
18th Mar

Minibeast

Thank you...

To everyone who came to support us at our ukulele concert. Year 4 put in a lot of hard work and were pleased it went well.
