

Year 3 Newsletter

November 2015

I hope you have all had a good holiday despite the rain and are ready to work hard. We have got lots to do before Christmas comes along.

Most of us are very good at remembering what we need to bring to school but just a little reminder to:

- Bring your reading book to class every day. Don't forget to put it in the basket if you need to change it.
- Hand in your completed homework on Monday morning. Please make sure you put your name on the front.

Literacy

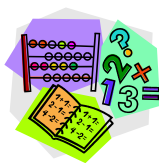

We will be looking at a mystery story and how to write our own.

Numeracy

We will be doing lots of work on addition, subtraction, multiplication, division, money and fractions. We will be looking at the properties of shape and measuring.

Science

You will be learning about Humans and other animals.

I hope you all know the 2, 5 and 10 times tables off by heart.

We will be concentrating on the 3 and 4 times tables this half term.

You should also know all the number bonds (adds & takes) to 20.

Knowing all these off by heart will make maths easier for you!

Our foundation subject themes are:

Geography - Using a globe, continents and oceans,

RE - Diwali and Christmas

ICT - We Are Communicators

PE - Swimming, Country Dancing & Gymnastics

Music - Play It Again

Art - Pattern and Christmas Art

History—The Stone Age

French - Je parle francais
