

Year 3 Newsletter

Welcome back Year 3!

April 2015

I hope you all had a lovely holiday and are ready to do lots of hard work over the next half term.

Most of us are very good at remembering what we need to bring to school but just a little reminder to:

- Bring your reading book to class every day. Don't forget to put it in the basket if you need to change it.
- Hand in your completed homework on Monday morning. Please make sure you put your name on the front.

Literacy

Our literacy work this term will be about adventure stories. We will be looking at lots of different books and will write our own adventure story.

Numeracy

In numeracy this half term we will be doing work on addition, subtraction, multiplication, division, fractions, pictograms, bar charts and weight.

Science

Our science topic this term is Helping Plants Grow Well. We will be investigating what plants need to grow.

You should now know all the multiplication facts for the 2, 3, 4, 5, 6 and 10 times tables and the related division facts for the 2 and 10 times tables. You will be learning the related division facts for the 3, 4, 5 and 6 times this term.

Our foundation subject themes are:

Geography - What's in a region?

RE - Moses and the Law

Computing—We are Programmers

PE - Tennis and Athletics

Music - Painting with Sound

Art - Plants

PSHE - Relationships
