

Year 3 Newsletter

Happy New Year!

January 2014

Thank you very much for all the lovely
Christmas cards and presents.

I hope you have all had a good Christmas
holiday and that you are all full of energy
for the new term ahead.

Literacy

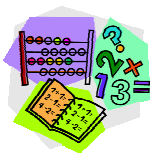

We will start by looking at Myths and Legends. You will be working towards writing your own myth or legend which I'm looking forward to reading. Then we will be reading and following some instructions before writing our own.

Numeracy

We will be doing lots of work on addition, subtraction, multiplication, division, fractions, symmetry and shape.

Science

You will be learning all about Magnets and Springs. We will study how they work and what they can be used for.

I hope you all know the 2, 3, 4, 5 and 10 times tables now. We will be starting to learn the 6 times tables this half term.

Remember you should also know all the number bonds (add and take away) to 20.

Knowing all these off by heart will make maths easier for you!

Our foundation subject themes are:

History - Romans

RE - The Life of Jesus

ICT - We Are Comic Writers

PE - Swimming, Dance (Explorers) & Gymnastics (Running & Jumping)

Music - The Class Orchestra

Art - Portraits

French - Je me presente

PSHE - Going for Goals
