

SUMMER Term Newsletter

Year 2

Welcome back,

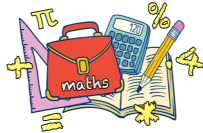

I hope you've had a lovely holiday and are ready to begin your final term in year 2! How quickly time flies! This half term is proving to be jam-packed with lots of challenges and new opportunities including rugby coaching and forest school!

English

This half term we will combine our learning of Kampong Ayer in Geography to write our very own tourist information leaflets about our local area. We will then write letters to share our thoughts and feelings about what is happening in the forests of Borneo. We will also recap grammar and punctuation terms throughout.

Maths

This half term we will pick up where we left off with telling the time and understanding how to read scales by measuring temperatures, weight and capacity. We will also be revising everything we have learned in year 2 in different contexts and styles of questions in order to build our confidence and resilience.

Our foundation subject topics for this term are:

Science– Plants

PE - Rugby and Racket Skills

Art – Collage/Overlapping

Geography– How does Kampong Ayer compare with where I live?

Music– Numbers and Rhythmic Patterns.

ICT– Coding

PSHE– Relationships

RE–How important is Jesus's resurrection for Christians?

SATS

Throughout this half term children will be taking their SATS. Although they will be unaware of this, please continue to support your child at home by reading every night, learning spellings and completing homework.

Forest School

Before the holidays each child was given a form to fill out to take part in Forest school which will take place during school hours every Tuesday of the Summer term. If not done so already, please return the form as soon as possible and ensure children bring appropriate clothing to explore and enjoy their learning in the forest.

End of Day Collection

Please remember to provide a note or phone school if your child is being collected at the end of the day by someone who is not named in your contact list given at the start of the year. If no note or call is provided, I will need to contact you to confirm your pick up arrangements.

SNACKSHOP

Please could children bring a £1 contribution on Tuesday 23rd April to cover the costs of ingredients for this half term. Thank-you
