

# Summer Term 2 Newsletter

Welcome back to the final half term of year 3! I hope you had a lovely, albeit rainy, half term holiday. Looking around at the class, I can't believe how much everyone has grown, progressed and achieved throughout this year.

This term is usually a very busy one and this year is no exception. Please look at the important dates below and write them on your calendar.

## English

In English, we will be completing Talk for Writing. We have used already used parts of this precious and the class really enjoyed making story maps and innovating stories before completing our own independent writing. We will also be recap all of the punctuation, grammar and spelling we have studied in year 3.

## Maths

This half term we will be revisiting reading time on digital and analogue clocks. Get someone at home to set you mini challenges to tell the time to the nearest 5 minutes wherever you are? We will also continue working on 'chunking' as a strategy to divide numbers both with and without remainders as well as properties of polygons and perimeter.

Date	Activity
11th June	Year 3 trip to Walby Farm Park
13th June	Sports Day and Colour Run
20th June	Doodlebugs workshop
13th July	Reports Out

## Foundation Subjects

Science— Light  
Geography— Megacities  
RE— Pilgrimage to the River Ganges  
PE— Striking and fielding, athletics  
Computing— We are presenters  
Music— Exploring singing games  
Art— 3D  
French— En famille

## Spellings

Last term, the high expectation of spelling scores slipped with some children in the class underperforming in their weekly test due to a lack of practice. Please remember to practise spellings at home. Spelling Shed login cards have been given to everyone and are linked to our spelling lists for each week so go on and play the games.
