

Year 1 Homework

Week Beginning: 8th October

Name: _____

Literacy

Read as often as you can and record your comments in the reading diary. Please bring it into school on Friday so that we can check you have been reading. Please practice the phonemes in the middle of the Reading Record too.

Talk Homework

In order to develop the ability to explain why this week I would like you to work with your child and help them to answer the following two statements. Try to get your child to extend their answers. If for example they say, "because it would be cool" try to get your child to explain what would be cool. Please let them try and write out the beginning of the sentences themselves, helping them to sound out the word when needed.

"Someone I would really like to meet is _____ because _____"

"The best day out I ever had was _____ because _____"

(If your child wants to word the sentence differently, "I would like to meet _____ because...." that is okay to do.)

walk
blast
past
grass
ask
handbag
windmill
bend
down
then

Numeracy

Mental maths: Please continue practicing counting from 1-100 and back from 100-0. Also please practice 1 more and 1 less questions - "What is 1 more/less than ____?"

Please complete the ordering numbers worksheet and return to class next week.

Read as often as you can and record your comments in the reading diary. Please bring it into school on Friday so that we can check you have been reading. Please practice the phonemes in the middle of the Reading Record too.

Reading Homework

There is no written homework this week. Instead I would like you to practice reading the words on the reading sheet. These words are very important for your children to be able to read fluently as they appear frequently throughout the stage of books that they are currently reading in class and in their book band stage. The words in the table could be cut to make flashcards.

There is no written homework this week. Instead I would like you to practice reading the words on the reading sheet. These words are very important for your children to be able to read fluently as they appear frequently throughout the stage of books that they are currently reading in class and in their book band stage. The words in the table could be cut to make flashcards.

Numeracy

- Please practice counting forwards from 1-50 and practice counting backwards from 50-1.
- Please practice recognition of numbers to 20 and ensure that your child is able to write them correctly too.
- Please complete the ordering numbers sheet to 10.
