

# Year 1 Homework

Week Beginning: 12th March

Name: \_\_\_\_\_

## Reading

Read as often as you can and record your comments in the reading diary. Please bring it into school on Friday so that we can check you have been reading. Please practice the phonemes in the middle of the Reading Record too.

## Reading

This week for your literacy homework I would like you to "Strive for 5!" This means that I would like you to read 5 times during the week and also practice your sounds on the laminated sound mats that I handed out at Parent's Evening.

## Spellings

Please continue to practice your spellings throughout the week and try to learn them for 5 minutes each night of the week. The more that they are learnt the better chance that the spellings will embed and your child will be able to use them in their work now and in the future. If they learn them the night before they may get 10 on their spelling test but they might not be able to remember how to spell that word the following week.

## Numeracy

Please complete the doubling and halving sheet. For doubling numbers up to 10 your child could use their numbers to count on. For halving your child could use counters to divide between two or use their knowledge of doubles to find the related half.

fudge  
nudge  
badge  
bridge  
hedge  
lambs  
climbing  
crumb  
thumb  
fuel

## Class Assembly

Thursday 28th  
March at 10am.

Please continue to  
practice and learn  
lines.
